Goals

The Wells Warriors Football Camp's goal is to provide the best possible instruction and knowledge, as well as instill the confidence that goes hand-in-hand with training for the game of football. Campers will have the unique advantage of playing under the watchful eye of high school coaches with the experience, dedication and desire to help young athletes improve and develop their skills.

CAMP OUTLINE

This is a non-contact camp for all players from ages 6-14. The camp will give all players, regardless of their experience or skill level, a chance to improve their skills for the game of football. Coaches will direct the campers through a variety of agility and position specific drills that will allow them to improve their fundamentals and all-around athletic ability. All campers will have the opportunity to work on both an Offensive & Defensive position. The timing of the camp gives the players a great chance to get into playing shape right before Pre-Season conditioning.
